Check Appropriate Boxes:

- ☐ The agreement between the registrant and the above-named foreign principal is a formal written contract. If this box is checked, attach three copies of the contract to this exhibit.
- ☐ There is no formal written contract between the registrant and foreign principal. The agreement with the above-named foreign principal has resulted from an exchange of correspondence. If this box is checked, attach three copies of all pertinent correspondence, including a copy of any initial proposal which has been adopted by reference in such correspondence.
- ☒ The agreement or understanding between the registrant and the foreign principal is the result of neither a formal written contract nor an exchange of correspondence between the parties. If this box is checked, give a complete description below of the terms and conditions of the oral agreement or understanding, its duration, the fees and the expenses, if any, to be received.

In December of 1992, I was asked by Mr. Bakili Muluzi, Chairman of the United Democratic Front, to act as a representative of the UDF in the United States. This request was formalized in a letter from Mr. Muluzi on December 11, 1992 (attached). At the time I agreed to act as a representative, it was not anticipated that I would be remunerated for my services, and as of this date I have received no money or any thing of value from the UDF.

- Describe fully the nature and method of performance of the above indicated agreement or understanding.

As stated above, I have received no remuneration for my services to the UDF. It is possible that I will receive some form of payment from the UDF in the future. Any new arrangement concerning payment would be subject to an exchange of correspondence which would be filed with the Registration Unit along with a revised Exhibit B.

5. Describe fully the activities the registrant engages in or proposes to engage in on behalf of the above foreign principal.

As noted in Part Three of this Exhibit B, my official relationship with the UDF began in December of 1992. I was initially contacted by a representative of the UDF, Dr. Charles F. Kahumba, in February of 1992, who asked my advice regarding ways in which the UDF, then the United Democratic Party (an underground organization in Malawi), could enhance its effectiveness in working for democracy in Malawi. Prior to this initial contact by the UDF, I had no knowledge of its existence. However, since my arrival in the United States in June, 1986, I have been in contact with officials in the executive and legislative branches of the U.S. Government, as well as the U.S. media and civic organizations, to generally promote democratic change in Malawi, and specifically to gain the release of my father, Aleke K. Banda, from detention in Malawi (he was held without trial by the Malawi government for 12.5 years). Between February, 1992, and December, 1992, in the course of my broader activities, I did mention and describe the UDF's activities and goals to U.S. government officials, the U.S. media, and various civic organizations, but did not specifically promote, nor hold myself out as a representative of, the UDF/UDF. Beginning probably in early November, 1992, I began to distribute UDF material to U.S. Government officials, and U.S. media and civic organizations (copies and distribution list attached). Distribution of these materials, and communications with the UDF in Malawi, account for virtually all of the expenses I have incurred on behalf of the UDF -- a total of approximately \$3,500 (I will be able to provide documentation of these expenses).

Under my current understanding with the UDF, I have agreed to provide advice on issues relating to the UDF's democratic participation in Malawi's transition from a single-party state to a multi-party democracy. This will include advice on internal democratic organization, campaigning, and public relations both in Malawi and in the United States. Further, I have agreed to disseminate information regarding the UDF's policies and goals to the U.S. public, executive and legislative branch officials in the U.S. government, U.S.-based financial and civic organizations, and the general media. I will also seek to persuade officials in the U.S. Government to take actions that will promote the transition to multi-party democracy in Malawi. Finally, it is anticipated that I will also undertake fundraising activities on behalf of the UDF in the United States.

6. Will the activities on behalf of the above foreign principal include political activities as defined in Section 1(o) of the Act?  
Yes ☒ No ☐

If yes, describe all such political activities indicating, among other things, the relations, interests or policies to be influenced together with the means to be employed to achieve this purpose.

I will assist the UDF in attempting to persuade the U.S. government and the American public to support peaceful democratization and human rights progress in Malawi. This will be accomplished by the dissemination of written materials, personal contacts with financial and civic organization, as well as officials of the U.S. Government, and interviews or articles submitted to U.S.-based media organizations. In addition, as noted above, it is anticipated that I will attempt to raise funds in the United States to support the UDF's political campaign in Malawi.
